0012-5202

## Remark:

1. It applies only to the submitted product(s).
2. This assessment is based on a review of the sample and the information and documentation supplied. It reflects the current state of knowledge of the product, and the hazards and risk information available today. The assessment should be updated if the product or materials are changed or new documentation becomes available.
3. It does not imply that the Notified Body has performed any surveillance or control of the manufacture(s), nor verified any self-declaration from applicant or manufacturer.
4. The manufacturer(s) shall ensure that the manufacturing process assures compliance of the production units with the examined products mentioned in this certificate.
5. The manufacturer shall inform the Notified Body of any modifications made to the examined product; this may lead to additional approval work resulting in cancellation, amendment and/or reissuance of this Certificate of Conformity.
6. The manufacturer shall affix the GSO Conformity Tracking Symbol (GCTS) in accordance with GSO – Rule for the Use of the GSO Conformity Tracking Symbol (GCTS). For further information, please refer to <http://www.intertek.com.cn>
7. The validity period of GCTS Registration in GSO System shall be observed separately from the "Date of Expiry" of this certificate, and it is the responsibility of the applicant to maintain such registration as valid.
8. Reproduction of this certificate is only permitted in its entirety.

This Certificate is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate. Only the Client is authorized to permit copying or distribution of this Certificate. *Reproduction of this certificate is only permitted in its entirety.* Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test/inspection results referenced in this Certificate are relevant only to the sample tested/inspected. This Certificate by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.
