---	-----------

**Conclusion:**  
 Bureau Veritas Dubai certifies that the product(s) subject this certificate complies with the essential requirements of the Gulf technical regulation number: **BD-131704-01**, on the basis of the assessment of the tests (the results of which are referenced above) and the technical documentation provided by the applicant.

The following conditions apply:

- I. This certificate does not imply that any surveillance or control of the manufacturer or the manufacturing process was performed.
- II. It is the manufacturer's responsibility to ensure compliance of all the products covered by this certificate within his manufacturing process.
- III. The validity of the certificate may be shorten in case of an amendment of the applicable requirements, modification of the product and non-compliance with the certification rules.
- IV. The manufacturer shall inform Bureau Veritas of any modifications done to the products covered by this certificate which may require cancellation, amendment and/or reissuance of this certificate.
- V. Reproduction of this certificate is only permitted in its entirety.
